## *A Word from Your Principal*

With Christmas weather finally here, I thought it would be good to go over plans and procedures for inclement weather. First it is important to note that you are the best judge of the weather situation in the area where you live.

1. If you feel it is not safe, do not risk driving to school. Wait until it is safe.
2. If school is delayed or canceled, KAES will send a parent alert (text and voice) no later than 7:00am.
3. KAES will also report closings and delays on the NBC channel 5 website.

### **KAES Band Christmas Concert.**

Please join us this Sunday for the KAES Band Christmas concert. It will begin 3:00pm in Evans Hall on the campus of SWAU. You just can't help but get in the Christmas spirit when you hear the band play. The Beginning and Advanced marimba will also be playing.

## Upcoming Events and Happenings

### 5th-8th Roller Skating Trip

On Thursday, December 15 the middle school will be going roller skating and to Cici's pizza for lunch. This will be an exciting trip that will serve as a reward for another completed quarter. Please note that if your child has a failing grade he will not be permitted to go skating and will be required to stay at school to work on missing assignments.

### Elementary Winter Story Walk

Pre-K—4th grade had a winter book walk today. On their story walk each student traveled from classroom to classroom to listen to a selected book based around a theme. This year our teaching team read books centered around the theme "Winter". While the students were able to add some new titles to their reading repertoire they also became better acquainted with the teachers in the other classrooms. What a fun way to enjoy a new book and unite our school family!
