100th Day of School

As you probably know each school year has 180 school days built in. What you may not know is that this past Tuesday we celebrated the 100th day of school. The 100th day is always a highlight as we think about what 100 looks like. Each class that celebrated had their own unique way to commemorate "100 days". If you walked into Mrs. England's room you would have found your self at a retirement home as each student dressed as though he or she was 100 years old. Also had you walked in at the right time you would have found yourself at the "100s Olympics", each event sustaining itself through the count of 100. Truth is no matter how 100 was celebrated each class enjoyed the challenge of counting to 100. And while it was a super fun day it also reminded us that the days go by fast.

Music Fest Canceled

I am sad to announce that the Texas Conference Music Festival has been cancelled due to some logistical conflicts. Discussions have begun about planning local events that would include schools from the same region. It is our goal to join if the opportunity arises. We will share that information with you as it becomes available.

Little Eagles Basketball

A basketball skills class will be available for students in 1st-4th grade. The coaches will teach fundamentals, teamwork and sportsmanship while providing a chance to practice these skills during basketball games built into our class times. Little Eagles will meet in the KAES gym every Tuesday & Thursday from 6-7pm starting Feb. 21st - Mar. 23rd. Sign up in the office by Feb 1st. There is a registration fee of \$20 per student that includes a T-shirt.

Chapel Update

Please join us Wednesday morning at 8:20 in the gymnasium as the Music department leads out in worship. 5th grade will lead song service and PreK -1st grade will have special music. Our speaker will be our very own Pastor Carlos Psillas. Pastor Carlos is the youth and children's pastor for the Keene English SDA Church.

New School Emails

To help encourage better communication KAES is now using a standard email format for all teachers. First initial, last name @kaes-sda.org. If you need to communicate with a teacher you can use this format and have confidence in reaching the teacher.

Parentsweb (renweb)

If you would like to better understand how to use renweb to support your child in school, but were unable to attend the renweb training, please contact the office and schedule a time for a short training. We are here to serve you and help you where needed.

Lifetouch Spring Pictures

February 8, Lifetouch will be on campus to take spring pictures. Students are not expected to wear their school uniform, and may dress as you desire. A class picture will also be taken. So be sure your child comes looking neat and tidy and ready to smile!
