### KAES Spelling Bee Winner

The KAES spelling bee made for quite an exciting morning. It all started by going through four rounds of words

without a single student misspelling a word.

Two hours later it was down to three students

with 4th grader Isabella Demoraes achieving the winning place. It was an exciting finish. You could feel the energy from all the students as the finalist spelled each word. Isabella will now travel to Cleburne to represent KAES in the Area 24 Bee.

### Marimbas

Many of you have wondered why the Conference would ask for us to return the marimbas in the middle of a school year. Let me assure you that the Texas Conference has always fully supported Adventist Education, namely KAES. What I neglected to mention is details of why this happened. As a result of a long litigation process the court had mandated the conference to return the marimbas to Valley Grand Academy. We were very blessed to use them for as long as we did and because of the opportunity that the Texas Conference gave us in lending the marimbas we now have the courage to pursue a set of our own. If you would like to help bring the sounds of marimbas back to KAES please contact Zuleica Savinon.

### Chapel Update

Please join us Wednesday morning at 8:30 in the gymnasium as the Computer Lab leads in worship. Seventh grade praise team; Dania, D'Mya, Julia and Sasha will lead in music. Our speaker will be Mr. Sigler from Chisholm Trail Academy and he will be bringing with him some KAES alumni.
