just for fun

Q: What did 0 say to 8?

A: "Nice belt."

Brain Games

Last week we had our annual KAES Brain Games. This is the third event of our KAES School Spirit Award. This event allowed close to 100 students to compete with each other in Math, Social Studies, History and Science. It was an amazingly well played game by all classes, with the 8th grade taking back the Spirit Trophy from the 7th grade. The fourth quarter event will be a field day held in May.

KAES Sweatshirts

Did you forget to order a KAES sweatshirt? We are trying to place a second order for those that still want a sweatshirt. Orders may be placed in the school office.

Student Teachers

You may have noticed some new faces on our campus this week. We want to welcome six student teachers that are finishing up their education and gaining classroom experience. We are so blessed to be able to partner with SWAU and help prepare these new teachers for the plans God has for them.

Little Eagles

This week our Little Eagles program started. Over 30 students have joined this program and will be learning basic basketball skills throughout its progress. With the help from students from SWAU and our parents this program is off to a great start!

Chapel Update

Please join us Wednesday morning at 8:20 am in the gymnasium as the 7th grade leads out in worship. Pastor Jerrod Songy will share with us this Wednesday. Pastor Songy was the former KAES children's pastor. Seventh grade will be leading out with praise songs and Andrew Patterson will provide our special music.

We have two awesome events planned next week for you and your friends. Help promote KAES by spreading the word about our Dr. Seuss Night and our Dr. Seuss Walk About.

Next Thursday afternoon at 5:00pm in Ms. Spicer's classroom we will have our Dr. Seuss Read Aloud and activities.

Then we will continue the fun into the next day with a Dr. Seuss Walk About starting at 9:00am. Children will move from one classroom to the next allowing them to meet teachers, and enjoy Dr.

Seuss stories and activities. All are welcome so bring your friends.

Jump Rope For Heart

Elementary Jump Rope for Heart has been rescheduled for March 24. This will provide elementary students more time to practice and fundraise for the American Heart Association.

Bobcat Classic

I hope many of you enjoyed a restful long weekend. For those students on our middle school basket-

ball teams it was an exhilarating and exhausting weekend because of the annual Bobcat Classic basketball tournament. Twenty teams from all across Texas and Oklahoma came to Keene to fellowship and play basketball together. I am most proud of our students for the
