Psalms 51:10

just for fun

Q: Why did the music teacher need a ladder?

A: "To reach the high notes!"

Week of Worship (WOW)

Having chosen the theme "Increase our Faith" the 8th grade has led out in our Spring Week of Worship. Every participant has really put themselves out there as they have shared in song and experience. Each morning they have also performed a drama skit that focuses on our faith. I want to say a big thank you to all the 8th grade who shared Christ with us this week. You have let your light shine! This is just another example of how KAES instills Christian leadership in our young people.

No School Friday

KAES will not have school next Friday. Enjoy the long weekend.

Playground gets new mulch

Have you noticed the new mulch on our playground? Thank you to the 32 seventh and eighth graders that volunteered to help spread 100 cubic yards of playground mulch. Students wheel barreled and raked the mulch around the playground equipment making it a safer surface for the younger students who play there.

Chapel Update

Please join us Wednesday morning, April 12 at 8:20 am in the gymnasium as the Kindergarten leads out in worship and song. Our Kindergarten class will be acting out the story of Daniel and providing special music. Do not miss out on this special blessing from our Kindergarten.

Select KAES as your Amazon Charity

Here is a great way you can help KAES. Shop through Amazon Smile and choose KAES as your charitable organization. From then on every time you use AmazonSmile and make an eligible purchase, it will result in a donation to KAES. When you shop, just remember to go through smile.amazon.com. I recommend just adding it to your favorites so you never forget.

BoxTops for education

Please save your BoxTops for KAES. Each BoxTop is worth money that we can use for school supplies.

KAES will be selling concessions at Car Show

Come out to the SWAU Car Show this Sunday at 12:00 pm. When you come bring your appetite because KAES will be selling homemade vege-burgers, hot dogs and drinks.

Work Bee Report

Thank you to everyone who came and helped at our work bee last Sunday. The rain kept many away but with the help of those that attended we were able to attend to some neglected areas of our school. We still have many areas that need to be worked on. If you would like to help please contact Mr. Coulter.

1st grade Talent Show

The first graders will be having their annual variety talent show on Thursday, April 13, at 6:00 pm. It will be hosted by SWAU at Dilts' Chapel in the basement of the women's dormitory. We invite you all to come and check out the amazing (and cute!) talents of the first grade class. You don't want to miss this extravaganza...
