just for fun

Q: Why did the strawberry call 911?

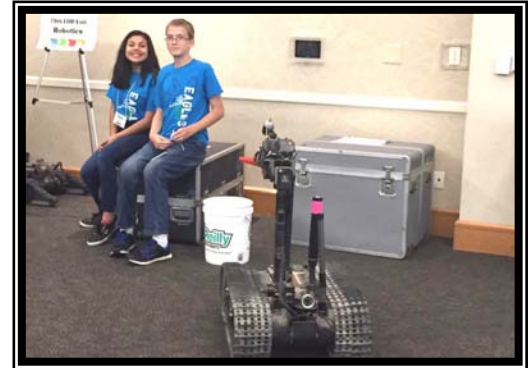

A: It was in a jam!

Killeen Math and Science Fest

This past Tuesday the 7th & 8th graders traveled to Killeen to participate in a conference-sponsored math/science event. Science students rotated in groups learning about some really cool robotic science while math students divided into teams and competed with other students. Team KAES made it to the final round and finished in 3rd place. Go Eagles!!!

Date Changes

This year outdoor school was moved to April 23-27. Because of this change we need to move our Spring Concert to May 7. We apologize for any inconvenience this creates. We have looked at all the options and May 7 was the best of all the other possibilities. Please follow the calendar on our newsletter so that you are up to date.

Thank you

“A big thank you to the students, parents and staff for all the lovely birthday cards and messages. It was a real surprise and I will cherish the memories. KAES is the best!!!!!!”
~Ms. Edwards

Check out the back of our newsletter to see how you can be of help today!

Chapel Update

Please join us Wednesday morning, April 26 at 8:20 am in the gymnasium as the Eagle gymnastics team shares with us what they have learned over the year.

Announcement from your Home and School

In a little over a week we will be celebrating the most talented, most interesting, most extraordinary people in the universe...the teachers and staff at Keene Adventist Elementary School! Teachers and staff appreciation week will be held May 1st through the 5th. Help us create a week to remember! See your teacher's needs list for ideas on how you can help. Please have your child color the minifigure attached and write a special note to their teacher. (If you need more than one minifigure thank you note see the office.) Students may create their own thank you note if they prefer. Remember to turn it in to the office no later than Friday, April 28th. Your note of appreciation will be displayed on your classroom door for your teacher to see. Thank you for helping us celebrate!

1st Grade's Got Talent

Congratulations 1st grade on a successful Talent Show. What an amazing performance! There was singing, dancing, drawing, jokes, magic, and much more.

Gymnastics Performs at Town Hall Estates

For the second week in a row our gymnastic team shared Christ through their sport. This week gymnastics performed at Town Hall Estates. After the program students visited with the residents and shared a couple extra routines. It is great to see our kids blessing others. The Gymnastics Home Show will be Saturday night, May 6 at 8:30pm.

CLASSIFIEDS

Volunteers Needed!

Tile Work

KAES is looking for volunteers to help repair the missing and broken tiles in our hallways. If you can help please contact Mr. Coulter.

Technology

Are you pretty savvy with Power-Point slides, editing videos? We are looking for a volunteer who would be willing to be our picture coordinator. If this is your gift please pray about taking this role at your school.
