

# KAES Eagles Athletic Eligibility Agreement

Eligibility Requirements for all Athletic League sports shall be the following:

1. Students representing the school by participating in a team sport, shall at all times conduct themselves in a manner that reflects the Christian values of this institution. (Dress, Language, and Behavior)

2. Team members must maintain a 70% or higher in all core subjects. Weekly failing grade reports for team members will be provided to the homeroom teachers by the Athletic Director, or other administrative staff. An eligibility report will be made every four weeks. Anyone with a grade lower than 70% in a core subject will be considered ineligible to play for at least one week, and every week thereafter until such time as all subjects are restored to 70% or higher.

3. Team members will be expected to attend school for the full day before and after a game. If a team member is going to be absent on the day of the game they must make prior arrangements with the athletic director to determine eligibility for that game. Any player in violation of this policy will be considered ineligible for the next game. (The intent is to be sure that students do not use Athletics as an excuse for missing school.)

4. Any team member suspended from school will also be suspended from the athletic team until such time as the coach, athletic director, and the principal can meet to decide if the student will be reinstated to the team as an appropriate representative of the school.

I have read and understand what is expected of me. I agree to do my best to follow these expectations.
