- 30 - 1/2 Day (Parent/Teacher Conference)

just for fun

Q: What is a frog's favorite cold drink?

A: Croak-a-cola!

Pine Car Derby

Yesterday, each student came home with a pine car derby fundraising packet that contains 10 envelopes and letters. Please help your child choose 10 people that he/she will send a fundraising letter to, then follow the steps below:

1. Address envelopes and sign letters
2. Enclose signed letters in corresponding envelopes
3. Put postage on each envelope
4. Bring the envelopes & letters back to KAES by Oct. 13.

Once your child brings back 10 addressed envelopes he/she will receive his/her pine car kit for free. If at that time more letters and envelopes are needed they can be picked up at the office.

KAES will provide opportunities to work on cars after school. If you don't have the tools, don't worry! Come to the school. We

have most of what you will need to make a really great car.

Seeking help for yearbook

KAES is seeking a dedicated parent who is interested in assisting with the yearbook. Help create a memory that will become a life-long keepsake. Please talk with Mr. Coulter if you have an interest in helping with the yearbook.

7th & 8th volunteer at ACS

This week the 7th and 8th grade classes volunteered at Adventist Community Services (ACS). They were able to put together relief kits for victims of the hurricanes. Students learned how ACS helps victims of disaster and how we all can best help.

Chapel Next Week

Next week's chapel will be led by first grade. Pastor Carlos Pasillas the children and youth pastor from the Keene English Church will share with us. 1st grade will share with us lots of music and a special song for worship.

4th grade seeks Legos

Do you have some Legos that you don't use anymore? Fourth grade is in need of Legos that they hope to use in their Makerspace. Your Legos can help our fourth graders learn computer programming. Please consider donating Legos you are not using to our fourth grade classroom.

Home & School Vespers

Mark your calendar for our Home and School vespers on October 21. This will be a great way to end the Sabbath! Come have fun with friends and make some new ones. This event is to help our school family better connect with each other. So come enjoy a great evening.

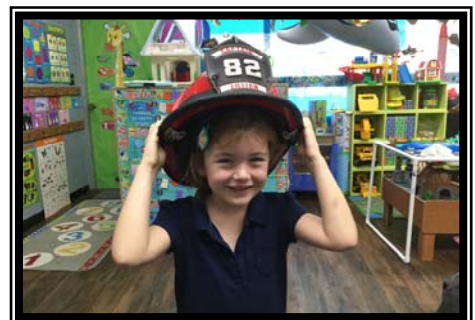

First Quarter Ends Oct. 13

The first quarter ends on October 13. If you have not looked at how your child is doing in his/her classes, please log on to Parents' Web and review your child's classes. It is important that you take an active role in your child's education. Look for opportunities to affirm your child's efforts. Your

children are amazing and with the school and the home working together towards the same goals, it provides a springboard for success. Now is the time to act.

Floorball Season Is Here

The 2017-2018 Floorball season will start on Sunday. This year's session will be open to kids ages 8-17. They will meet on Sundays from 10-11:15am followed by adult floorball from 11:15am-1pm. This event meets in the SWAU gymnasium.
