## just for fun

Q: Why do bees have sticky hair?

A: Because they use honey combs!

### 100 Days of School

Next Wednesday, January 24, will be our one hundredth day of school. This is always a special day as each classroom celebrates in their own special ways. Many classes will count one hundred in coins, buttons, markers, pencils, and others will dress up as if they are 100 days (or years) old. It is an accomplishment reaching our one hundredth day and is to be celebrated!

### Chapel Next Week

First grade will be leading chapel next week as they celebrate our 100th day of school. If you have joined us before you know that first grade loves to surprise us with skits, music and always an uplifting message.

### No School Jan 29

Please check and mark on your calendar. There will be no school on January 29. School will be closed for a teacher training event.

### Athletics

I want to thank all the parents and students who put forth extra effort in extending the hand of friendship and godly love to the many visitors that visit us for athletic events. We will continue to strive to make our athletics program a place for learning and growth but also a place where we share the love that God has purposed us to share.

## Playground Progress

We are excited to announce that our playground relocation project is completed. We will have a grand reopening this coming Monday and students will be able to resume their play!

## Stop the spread of Flu

Yes, the flu is here, but you can still protect your child and help stop the continued spread of the flu. Look at the simple and easy to do things that can help us all stay healthy this winter flu season.

1. Avoid close contact with people who are sick.
2. Stay home when you are sick.
3. Cover your mouth and nose.
4. Clean your hands with soap and water.
5. Avoid touching your eyes, nose or mouth.
6. Practice other good health habits like eat healthy, and getting a good sleep.

## STEM Club

With the help from volunteers from SWAU, a STEM Club has been started. This club is meeting after school on Thursdays and is for interested students in 4th and 5th grade.

## H&S Valentines Banquet

This banquet is open to all KAES families. February 11<sup>th</sup> from 5pm-7pm there will be games, entertainment and chances for great pictures with your family and friends. You can even enter to win in the Salsa making contest. Come enjoy this Texas themed event.
