### Just 15 People

I know I said I was closing the survey; however we need just 15 more parents to fill out our parent survey to achieve a 60% response rate. If you haven't taken the parent survey, please consider doing it today. We need just 15 people. Be that person. Thank you to everyone who took our parent survey. Take the parent survey at [www.kaessurvey.online](http://www.kaessurvey.online).

### Scripts Spelling Bee

Next Tuesday at 9am is our KAES 2018 Scripps Spelling Bee. You are invited to watch three of the best spellers from each class (grades 4<sup>th</sup> through 8<sup>th</sup>) compete for the coveted title of Keene Adventist Elementary School Spelling Bee Champion. This is a fun event for everyone.

### Welcome Back

I hope everyone had a great Christmas and New Year. It has been a busy start but it is so nice to see everyone back. Report cards are ready and many of them have gone out to parents. If you have not received yours talk with your child's teacher. It is always nice to start a new quarter. It a fresh start to *begin with the ending in mind* and to *put first things first* to ensure a successful term. Please encourage your child to stay focused on each day's school work to ensure long term success.

### Chapel Next Week

Next week's chapel will be led and presented by the KAES Kindergarten class. They will be sharing some patriotic songs and sharing what they have been learning about Jesus. Come join us and experience these inspiring Kindergarten students and they share.

## Playground Progress

The playground is taking shape in its new position. Our goal still is to have it all back together by the end of January. The new location provides easy access for all elementary classrooms and a more private play area for our kids.

## Athletics Meeting

Thursday the athletics had a parent meeting and shared the vision for KAES families to shine the light of God through kindness and love to all that we come in contact with through athletics. We may face tense and even hostile situations but our strength comes from God and in return we can give love, kindness and friendship. It is our hope that at the end of game our opponents will see that it is a joy to compete with KAES.
