just for fun

Q: What did the pencil sharpener say to the pencil?

A: Stop going in circles and get to the point!

Jump Rope for Heart

If you have walked by the gym during Mr. Bradley's PE classes you have seen lots and lots of jump roping. It's been a while since I have jumped rope but watching these kids reminds me what a joy it is. Next Friday, March 2 grades PK-4 will participate in the KAES annual Jump Rope for Heart. This is a great program where our kids get to exercise and develop their jumping skills, stay healthy and help others.

Kids Sabbath the Keene Church

I hope you will join us at the Keene Church this Sabbath. This is KAES Kids Sabbath and our kids will be sharing stories, songs and helping out with the service. Our Leader in Me public speaking team has been preparing our students to share about Jesus.

Little Eagles

This week our Little Eagles program started. Over 35 students have joined this program and will be learning basic basketball skills throughout its progress. With the help from our parents this program is off to a great start!

Chapel Next Week

Next week we will have an assembly with the KAES gymnastics teams, showing what they have learned this semester. It is fun to see the amazing abilities that God has given.

We have two awesome events planned next week for you and your friends. Help promote KAES by spreading the word about our Dr. Seuss Night and our Dr. Seuss Walk About.

Next Thursday morning at 9:00 am we will have our annual Dr. Seuss Walk. Children will move from one classroom to the next, allowing them to meet teachers and enjoy Dr. Seuss stories and activities. All are welcome, so bring your friends.

Then that evening at 6:00 pm in the KAES library we will have our Dr. Seuss Literacy Night. This event is also open to the public so bring your friends and tell everyone about it.

Children's Book Drive

Thank you to everyone who helped with the children's book drive. It's a bit understated to say we surpassed our goal of 200 books. We had over 2000 books donated. They have all been picked up and are getting ready to take on more use in New Mexico. I also want to thank Leeann for envisioning this project of how we could help others.

3rd Quarter Ending Soon

I can't believe we will soon end the quarter. The third quarter ends when we return from spring break. I want to encourage our students to focus on doing all you can in your classes this next week. Do not spend working to get caught up in your classes. Do all you can to perceive.

Keene Business Expo

Keene Chamber Business Expo will be this Sunday at the SWAU gym from 10am to 3pm. Come see what our community has to offer and be sure to visit us at our KAES booth.

Uniform Free (\$2.00)

Thursday March 1

The Leader in Me student council team would like to provide students a way to avoid the school uniforms. No it's not a typo. Mr. Coulter has agreed (reluctantly and just for a day). Next Thursday for \$2.00 you will not have to worry about school uniform. Not only can you be out of uniform but you can know that your money is going to benefit your school building. This fundraiser will help pay for another project the student council is working on, an outdoor lunching area. This idea will provide teachers a space on those perfect Texas weather days to take their class outside for lunch. So support Uniform Free Thursday on March 1.
