No School - March 19-20

There will be no school on March 19 and 20. Teachers will be attending curriculum training and will not be at school.

Elementary Open House

Word of mouth is one of the best marketing tools out there and it is extremely cost effective. With that in mind we need your help getting the word out. If you know of someone with children that will be school aged for the 2018-2019 school year, please share with them that our Elementary Open House is coming up. It will be held on April 5th at 6:00. This will be an opportunity for parents to learn more about our programs and ask any questions that they may have.

Thank You

Thank you to everyone for supporting our TLIM fundraisers. Our pizza fundraiser made a little over \$300. With our generous matching gift, that puts us a little over \$600 of our \$2000 goal. Our Uniform-free Day fundraiser raised \$187 for our outdoor lunchroom tables. Our goal is \$800 by the end of the school year. We plan to have one Uniform-free Day fundraiser each month. Our next will be on Thursday, March 29.

Awards Chapel

We are so proud of our KAES students. This Wednesday will be our 3rd quarter awards chapel. Immediately following worship, awards will be presented for attendance and academics.

just for fun

Q: Why should you never trust an atom?

A: They make up everything!

Chapel Next Week

Next week the 8th grade class will share with us at chapel. We will learn about what happened on the SWAU mission trip that our children's book drive went to support. Dania Correa and D'Mya Duncan will provide special music.

The Power of Good Choices

The battle against self.

The struggle to do it all by our self

Strength from good choices.

Thanks to supportive parent volunteers, KAES middle school will have two new afterschool programs starting next week.

Golf Club

Students in 7th and 8th grade are invited to join the KAES Golf Club. This afterschool program will teach golf skills and etiquette for playing golf. This club will meet afterschool from 3:15 to 4:30 on Thursdays, starting March 22. Space is limited. There is no charge, however students will have to cover field trip costs to the driving range and games at the golf course.

Photography Club

Students in 5th-7th grades are invited to join the photography club. This afterschool program will teach the needed photography skills to be able to take good quality pictures in all lighting situations. One goal of this photography club is to help prepare students to be yearbook photographers for next school year. This club will meet after school from 3:15 pm to 4:30 pm

on Wednesdays, starting March 21. There is no charge for this club. Students may bring their own digital cameras if they want.

Jump Rope For Heart

The Elementary Jump Rope for Heart was March 2. Students were awesome as they showed their jump rope skills; jumping forwards, backwards, double dutch, skipping,, etc. They get more and more creative as they perfect their skills. The activity of jumping rope can strengthen our hearts but this outreach saves lives. The students raised over \$2500 to help fight heart disease.
