### just for fun

**Q:** What happens when a frogs car breaks down?

**A:** It gets towed away!

### No School - March 19-20

There will be no school on March 19 and 20. Teachers will be attending curriculum training and will not be at school.

### KAES Gymnastics

This week the KAES gymnastic team performed at chapel and at Chisolm Trail Estates. They did a great job! Even the residents were trying to get out of their chairs to cheer on the team. A big thank you goes out to Coach Caleb for all he is doing for our kids through gymnastics. Go Eagles!

### Jump Rope for Heart

Great Job to all the 1th -4th graders that participated in our annual Jump Rope for Heart fundraiser. It is always good to do good for others. It was awesome to see all the jumping going on.

### Chapel Next Week

When we return from spring break the 3rd grade will be leading our chapel. They have invited Pastor Patterson the Keene children's pastor to share with us. 3rd grade will also provide special music.

# The Leader In Me

Since November The Leader in Me groups have been meeting every Thursday. Each group has a different focus but all focus on empowering our kids to live a life of character and make a difference in their school and community. I am very proud of each group and the impact that they are having on each other and our overall school. One specific group is seeking to improve the flower beds and the appearance of the front of our school. If this is an area of interest for you please contact the school office.

## Literacy Night

Yesterday was full of excitement with the Dr. Seuss book walk and the Dr. Seuss Literacy Night happening on the same day. It was so much fun for everyone that came out. We also had many visitors join us from our community. Thank you to all of our student leaders who helped out.

## Pizza Fundraiser

Hopefully you were able to get some of the pizza that was being sold for lunch today. The Art and Environment group is fundraising to improve the appearance of our current elementary building. They hope to put in new lighting, improve the appearance of the back wall and repaint the hand rails. An anonymous donor has committed to match (dollar for dollar) every dollar raised by these students. Please consider supporting KAES and our kids.
