KAES Spring Concert

The KAES Spring Concert is less than two weeks away. This is always a great time to listen to talented students. The concert is earlier this year so that we can use Evans Hall. This may be the last year we will be able to use this hall. Come join us on April 15 at 4:00 pm Evans Hall.

1st Grade's Got Talent

This Thursday will be our annual 1st grade talent show. Each year our 1st graders get to share just some of their many talents with us. There will be singing, joking, acting, etc. during this highly entertaining event. The 1st Grade talent show will be held in the Dilts Chapel room located in the lower level of the SWAU girls' dorm. You are invited to come see the talents of our super 1st graders!

Uniform Free (\$2.00)

Thursday March 19

The Leader in Me student council team is providing students another chance to avoid school uniforms. Next Thursday is your chance. For a \$2.00 donation you will not have to worry about wearing your school uniform for the day. Remember 100% of these funds go toward creating an outdoor lunch area. This will provide teachers a space, on those perfect Texas weather days, to take their class outside for lunch. So support Uniform Free Thursday on April 19. Wristbands will be sold after school on Wednesday as well as Thursday morning.

Week of Worship Next Week

Next week 7th grade will share in chapel. They will provide praise songs and special music. Donna Salazar will be our speaker. She has attended KAES for 8 years and is currently in the 7th grade.

8th Grade Fundraiser

It's pizza night! If you like Mr. Jim's pizza consider supporting the 8th grade class of 2018. All you have to do is show up at Mr. Jim's on Monday, April 16 between 5pm and 9pm to order your usual. Don't forget to mention KAES and a portion of your total tab will go towards the 8th grade class. Whether you dine in or take out just remember to mention the KAES 8th grade!

Hopefully you were able to join us for our Week of Worship. It has been a great week and our daily prayers have been for our student to grow closer to Jesus this week. This is just the beginning of a life long journey. Students played important roles this week. Students lead worship in song, they were involved in making the set, they acted in our skit and shared the message. Our week has come to a close with a challenge event and agape feast. The obstacle course was created to represent life separated from God. Student were challenged to get through the obstacles of life course without getting their white shirts dirty. Oh yeah, all the staff was armed with the challenges of earthly life represented by color run powder. As everyone completed the course each stood before a judge but all were dirty and covered with color powder. However a way was provided to enter in to our agape feast. All student had to do was accept the free covering shirt to cover their filth and they were

judged clean and entered in. As you can see we used a lot of ways to share about the choices we have to make here on earth. May our children have a heart for God.

I also want to extend a huge thank you to Pastor Travis and Sadie Kennedy, who were the lead visionaries for WoW. All the teachers, preservice teachers, Home and School parents, Cafeteria staff, Keene Church, Angela Lourenco, Devin Grady, the Rosie Bullon and all the parents who helped with the set, practiced lines with their kids each night, and donated money for the agape feast. Most importantly, thank you Lord for pouring out your blessings on us and carrying us through any challenges we face.
