## just for fun

Q: What do you call a dinosaur that is sleeping?

A: A dino-snore!

### Battle of the books.

On Wednesday a large group of 3rd grade students traveled to BAA for the Battle of the Books. We are so proud of these KAES students who put forth the effort and experienced the rewards of reading. All three KAES teams made it to the finals and battled for third place. Go Eagles!

### Visitors' Day

Next Friday, May 4, we are having our annual Visitors Day. If your family has been blessed by KAES, please share about our Visitors Day. You are the best marketing we could ever ask for. Invite your friends who have school age children to check out and visit KAES.

### Chapel Next Week

Music Department will have chapel next week. Chisholm Trail Academy (CTA) and their performance choir will provide a music performance. Many of these kids are our graduates and began singing at KAES. Come join us and listen to some beautiful uplifting music.

## Enrolling for 2018-19

This year we hope that the enrollment process will be more convenient, accurate, and time-saving. Enrollment will be online so you can re-enroll your children anywhere and anytime. The first time doing something can be uncomfortable and challenging, but remember we are here to help. You will soon receive detailed instructions to take you through the process, but if you are still nervous or uncomfortable in any way just call or come by the front office and we will help you.

### Save \$100

Want to save \$100 off next year's registration? If you enroll your child in KAES for the 2018-2019 school year by May 15, 2018 you will receive a \$100 off your registration fees of \$400.

### Flag Football Team

Congratulations to our KAES flag football team for all their hard effort this season. It has been an uphill climb but their perseverance led them to a third place victory in the CSAF tournament. Go EAGLES!

### 2017 KAES Constituency

Please join us for our KAES Constituency meeting Sunday, May 20. This meeting is held once each year to publicly share what is happening in our Adventist schools and our plans for our future. All are welcome to attend.

## Field Day

Next Wednesday, May 2 will be our annual KAES Field Day. This is an exciting day for our elementary grades. Students will be able to run obstacle courses that challenge their endurance, agility, and physical ability and they will have fun getting wet in the process. Additional information will be coming so you will know how to plan for this exciting day.

## School Yard Sale

The Leader in Me, Art and Environment group is still planning on having a yard sale. They are in need of your unwanted junk. As you do your Spring cleaning this year, please consider donating your unwanted items to the KAES yard sale. We will even come pick it up for you!
