Q: Where do cows watch their videos?

A: MooTube!

Enrolling for 2018-2019

Thank you to all the parents who have enrolled for next year. If you haven't you still can. All students need to enroll through ParentsWeb. If you haven't set up your ParentWeb don't worry! It is quite easy. Instructions have already been sent to you on how to do it. You can also find a link on our website. We are all learning this new process. Mrs. Mimi and Mr. Coulter are available to help you through this process if you have any questions.

\$50 Early Enrollment

Discount Ends June 15.

Registration discounts are available for anyone who registers early. Parents who register their child by June 15, will receive \$50 off registration. Remember that parents must complete the online enrollment and pay the registration fees by these dates to receive their registration fee discount.

KAES Constituency

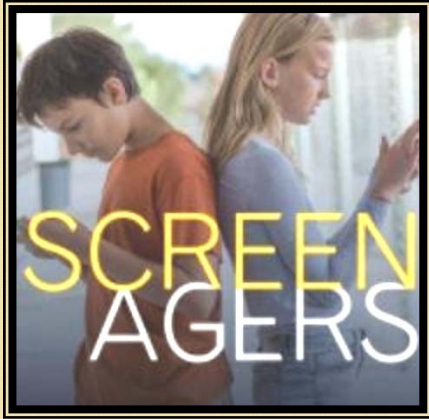

I want to invite everyone to join us for our 2018 constituency meeting. **Constituency will be on Sunday May 20 at 7:00 pm in the upper room in the Upper Room of the Keene Church.** This meeting is open to all families. We encourage you to come hear about what has happened this year and our plans for next year.

Gymnastics Home Show

The KAES Gymnastics home show will be held in the CTA gymnasium May 19, at 8:30 pm. Student gymnasts need to arrive by 8:15 pm. This will be a fun night as KAES and Burleson Adventist School will combine to have a joint home show. Adventist Education is a system of great schools that shine for Jesus. It is awesome that our coaches work together to provide these combined opportunities.

Chapel Next Week

This will be our last chapel for the school year. 6th grade has been preparing for this special chapel for the last month. They will provide music, praise songs and share about Jesus. Please join us.

Keene SDA Church

SCREENAGERS is a documentary for families about the effects of screen time on a child's brain. Directed and produced by a physician mother, it chronicles her journey of deciding how and when to get her two daughters smartphones. Expert interviews reveal the impact of media. Children discuss their view of gaming and smartphone usage. Don't miss this unique opportunity to view this movie that has informed and challenged thousands around the world to take screen time seriously. After the documentary, we will have a brief moderated discussion with parents and teens about the topic. Christian resources will be offered as tools to assist moms and dads in this new frontier of parenting. Though primarily designed as a parent event, children entering 5th grade and above are welcome to attend and sit alongside their parents.

Seeking Summer Help

Each year KAES has a school work bee prior to school starting. This is similar to a spring cleaning but just before school starts. Our work bee this year is scheduled for July 15. I hope you will join us and help make our school ready for the new year. In addition to our work bee this summer we also have a number of projects that we would love to have help in accomplishing. KAES is seeking handymen/women to help with painting, sanding and refinishing our gym floor, pressure washing, and building shelves. If you would like to help please speak with Mr. Coulter.

Vacation Bible School

Keene Adventist Church will host Vacation Bible School. It starts May 30th and runs till June 2nd from 6:00pm to 9:00 pm.
