A how to video about the pine care derby has been emailed to help answer questions you may have.

Pine Car Derby

On Wednesday your child should have brought home a Pine Car Derby fundraising packet that contains 10 envelopes and letters. Please help your child choose 10 people that he/she will send a fundraising letter to, then follow the steps below:

1. Address envelopes and sign letters
2. Enclose signed letters in corresponding envelopes
3. Put postage on each envelope.
4. Bring the envelopes & letters back to KAES as soon as you can or no later than Oct. 19.

Once your child brings back 10 stamped and addressed envelopes he/she will receive his/her pine car kit for free.

Building Your Pine Car

Once your child earns their car block it is easy to make it into a car, if you commit to putting in the time to work with your child. The cool thing is that KAES will provide opportunities to work on cars after school. If you don't have the tools, don't worry! Come to the school. We have everything you will need to make a really great car: saws, drills, sand paper, lead, paint, and much more.

This year the Pine Car Derby race will be held on **Sunday, Nov. 4**. Just like last year there will be food, snacks and drinks along with the racing entertainment. Our hope is that this event will not only raise money for our school but will also be a lot of fun for your family.

Picture Retakes

October 16 will be school picture retakes. Let your child's teacher know if your child was absent or you would like to have retakes for your child. Even though this is a Tuesday we ask that your child wear their chapel uniform for retakes.

just for fun

Q: How much room is needed for fungi to grow?

A: As much room as possible.

Chapel Next Week

Second grade will lead chapel next week. They will share their musical talents with praise singing and special music, they also have prepared a skit to share with us for the message.

Parent/Teacher Conferences

Make sure you sign up for parent/teacher conferences. They will happen October 29 from 8:30-4:00 pm. There will be no school but child care will be provided while you are in your parent/teacher meeting.

This year we are again using the online site [Sign-Up Genius](#) to help make it easy for you to sign up. Look for it in your email. Sign ups will be on a first come, first served basis.

First Quarter Ends Oct. 12

Can you believe it! The first quarter ended today. It has been a fun and exciting first quarter, but there is more excitement to come. Keep encouraging and supporting your kids academically and spiritually.
